In cooperation with Velden Tourismus GmbH

# 17th International Meeting for Rolls-Royce & Bentley Enthusiasts

from July, 1st to 5th, 2020 in Velden am Wörthersee - Austria

For 16 years the Rolls-Royce and Bentley Meeting has become the perfect opportunity to enjoy a nice holiday at the Seehotel Europa in Velden am Wörthersee.

I have been member of the English RREC since 1991. Over the last 16 years I had the honour to welcome about 450 participants from 12 different countries here in Velden.

Meanwhile, my friends from the 'Automobil Veteranen Club Austria' (AVCA) are part of the team. From the very beginning, R-R and Bentley owners from Switzerland brought their beautiful automobiles to our event. Over the years we have developed wonderful friendships. Last year, the RREC Swiss Section has become our official partner, which is a special recognition of all our efforts.

This year, our first tour takes us to Italy. The route leads to Tarvisio and Pontebba and further on to the Nassfeld Pass into the Austrian Gailtal Valley, to Bad Bleiberg and back to Velden.

Our highlight is the visit of Hochosterwitz Castle. In gratitude for the support of the imperial troops during the wars against the Turks the lien of Hochosterwitz Castle was given to Christoph Khevenhüller von Aichelberg by Kaiser Ferdinand I in 1541.

Since then, the castle has been owned by the same family. The present lord of the castle is Count Kari Khevenhüller. Our families have been friends for a long time. His chain-driven Mercedes Simplex dating back to 1904 is still in use today.

The traditionally shorter tour on Saturday will take us all along the mountain road Villacher Alpenstraße to its top.

So, we wish you a fantastic stay on Lake Wörthersee and best weather to enjoy the unique beach of the Seehotel und to dive into the clear water of the lake. Renate und Jakob Wrann, the owners of the Seehotel Europa are well-known for their hospitality. Together with their team, they provide the best service to make your holiday an unforgettable experience.

We are pleased to welcome our regular participants as well as new ones and we are looking forward to meeting you all here in Velden am Wörthersee.
